Winter '52 Registration Totals 6130 Students

Registration figures for winter quarter show a total of 6130 students signed for classes, according to Miss Eileen Wilson of the Registrar's office. Of these, 5491 are state college and 639 junior college students.

There was a drop in enrollment of 588 from last fall quarter.

This did not surprise the Registrar's office as there is usually a drop between fall and winter quarters, and a decrease of about 500 was expected.

Comparative figures for last winter quarter show a drop in enrollment of 245 students.

The total figure, as compiled by the Registrar's office, does not include limited students. Because limited students register for classes as they attend them, there is no accurate count of these students yet.

According to Mr. Glenn Guttormsen, college accounting officer, 145 limited students signed up last Thursday and quite a few more were expected to enroll as they attend Friday and today's classes.

Approximately 1100 students, over one-fifth of the total enrollment, were veterans. There are 1050 State college and 50 junior college veterans. Non-veterans in the junior college outnumber the veterans by more than ten to one.

Mr. Guttormsen stated that a few students probably will drop out during the first couple of weeks of the quarter, as is the case every quarter, because of various difficulties.

Six Men to Be Commissioned

A record number of San Jose State college men will receive permanent regular Army commissions in June, Col. James J. Hea, professor of military science and tactics, revealed Friday. Six members of the campus ROTC unit will be commissioned in June and two were commissioned in December.

In 1950 five students were issued commissions and five others were commissioned in June of 1951.

"I am very proud of the fact that these men have been accepted for the regular Army," commented Col. Hea. "It is an exceptionally large group and indicates how highly our ROTC unit is regarded in Washington."

Men who will be commissioned in June are Ivan C. Bland, William C. DeLapp, Oscar Herrgesell, Duane H. Miller, Paul A. Murphy and Joseph L. Richards. Herbert C. Frame and Fred J. Davis were commissioned in December.

According to Col. Hea, all the men who are commissioned in the regular Army will be sent to Fort Benning, Ga., for three months of infantry training. On completion of training, the new officers are assigned to infantry units for a period of two years. After such service they may specialize in a particular branch of the Army, such as military police or artillery.

Commissions are granted on the basis of scholarship and leadership, Col. Hea said. All of the men to be commissioned previously had been selected as distinguished military students.

Good Progress Being Made On Building

Progress on the college's new Music building on S. Seventh street is good, according to Job Superintendent Jack Nelson.

However, recent unfavorable weather conditions, Nelson says, are not conducive to any hopeful planning for future uninterrupted work schedules.

Nelson, who is employed by Nielsen and Nielsen, San Jose contractors, said that two weeks' working time has been lost since construction began. The delays have been caused mainly by rain, and recently a steel holdup also hampered his men.

However, Nelson was quick to add that the steel shipments from Oakland have since been arriving regularly. He cited this as an imperative point concerning his end of the job.

"Pouring of floor slabs or any concrete work," he said, "is impeded by cold weather. But," he added, "we who are working on the Music building are more fortunate than the workers handling the Engineering erection task."

Nelson was referring to the fact that his headway has been slowed so far mostly by rainy weather. The Engineering building progress has encountered wintry squalls.

A gas line movement from Eighth to Seventh streets was necessitated by the Engineering building's lacking adequate depth footage. This and other such delaying actions have made the task more arduous, and is what Nelson's disclosure implied.

Dr. Gregory Visits Campus

Dr. Carl Gregory, chairman of the Division of Social Sciences at Long Beach State college, visited the campus Friday, according to Dr. Carl D. Duncan, head of the Natural Science department.

He stated that Dr. Gregory is currently making a tour of the state colleges in California primarily to acquaint himself with the patterns of other institutions and also to see how their programs are operated.

Dr. Duncan said that Dr. Gregory was impressed by the number of laboratories and the quantity of rooms and material available for teaching in the natural science division. The head of the Natural Science department said that Dr. Gregory commented that this college is better equipped in this specific department of instruction than many universities.

He also was impressed with the efficient photography program at the college, Dr. Duncan stated.

Dr. Gregory made a tour of the various departments of the college, besides visiting with the deans, President T. W. MacQuarrie and Dr. William H. Poytress, head of the Social Science department.

Gibson Scores 21 As Spartans Fall

By ROY HURLBERT

Spartan Daily Sports Editor

RICHMOND AUDITORIUM, Jan 5—St. Mary's Galloping Gaels dynamited San Jose State's spotless win streak here tonight with a shattering last half rally sparked by 6-8 Center Ben Gibson to triumph, 63-52.

Avina
.... rally starter

Coach Walt McPherson's Spartans entered the contest undefeated with seven consecutive victories which made them the only unbeaten major college team on the Pacific Coast. They looked as though they had won number eight ready for delivery until midway in the third quarter when

the Gaels and Mr. Gibson took a command they never surrendered.

Gibson, slow in getting started in the first half, scored 21 points to be game high man, 15 of them in the second half. Behind most of the first 20 minutes and trailing at half time, 31-27, St. Mary's, with Gibson getting plenty of help from Guards Joe Flores, Drew Turner and Bob Steincamp, tied the count early in the third quarter. The Moragans began to pile up a lead as SJS scored only six points in the third period to the Gaels' 18. St. Mary's led, 45-37, as the fourth quarter opened.

Cards Require Ink Signatures

Those students who purchased ASB cards during winter quarter registration must be sure they sign their names on them in ink, according to a warning issued by the Graduate Manager's office Friday.

When the cards were issued in the registration lines, there was no time to have the students sign them, and many students now are running the risk of losing their cards and having no way of getting them back.

The Graduate Manager's office reports that several cards already have been lost, and there is no way of tracing them because they lack signatures.

The Spartans narrowed the gap to 46-52 with four minutes to go as Guard Jack Avina hit three straight field goals to ignite a rally. But the Gaels went into a stall and Gibson cinched the thing with a hook, a tip-in and a pivot shot for six points, all within the final two minutes.

Big George Clark, next in scoring with 17 points, was at his best in the first half as SJS took control. Clark got 14 points in the first half alone. He fouled out of the game with two minutes to play. Mort Schorr also had five personals.

McPherson's crew was off and rolling at the start, leading 10-3 after five minutes, and 17-16 as the first quarter ended. Two successive field goals by Forward Duane Baptiste pushed the Spartans to a 28-23 edge just before the intermission.

St. Mary's connected on 33 per cent of their shots with 23 field goals in 70 attempts. SJS had 21 for 78, 27 per cent accuracy.

It was a rough affair with 41 personal fouls being called, 24 of them against the Spartans. SJS registered 10 out of 16 from the free throw line. The Gaels missed 11 charity throws out of 26 trips to the foul line.

Following Clark in the scoring column were: Baptiste, 9; Elmer Craig, 8; Avina, 6; Mort Schorr, 6; Glen Lovell, 2; Lee Deming, 2; Lee Jensen, 1; Don Edwards, 1.

Turner was the second highest Gael point maker with 13. Steincamp netted 8, Bill Bagley 7, and Flores 7.

The two varsity teams meet again Wednesday night at 8:15 in the Spartan Gym. St. Mary's record is 8-4; SJS now has a 7-1 mark.

In the fast-action preliminary game, Coach Bob Wuesthoff's Spartan Jayvees trimmed the younger Gaels, 61-60. It was close all the way with neither team getting more than five points ahead at any time. Bill Kaffer paced the Spartababes with 17 points, followed by Slim Hodgson with 16.

The win was the seventh in eight starts for Wuesthoff's team, whose only loss came at the hands of the experience-packed McCune Citrus five of San Jose.

Score by quarters:
SJS 17 14 6 15—52
SM 16 11 18 18—63

ROTC Men Will Get Army Commissions

THE HAPPY YOUNG MEN pictured above are shining and polishing in preparation for the day when they will receive their commissions in the regular Army. In the front row, from left to right, are Oscar Herrgesell, William DeLapp, Joseph

L. Richards and Fred J. Davis. In the back row, from left to right, are Paul A. Murphy, Duane H. Miller and Ivan C. Bland. Not pictured is Herbert C. Frame, who was commissioned in December

Physicals Reveal TB

More than 100 newly registered San Jose State college students were given a thorough physical check-up Saturday morning at the quarterly examination administered by the college's Health department.

Miss Margaret Twombly, head of the local health office, said that 40 workers were employed to aid in the examinations, which took approximately four hours to execute. A mobile tuberculosis unit also was brought in for the examinations.

Through the TB X-rays given at these college examinations, Miss Twombly said that an average of ten active cases have been discovered each year during the past few years. Last quarter, three positive cases were discovered among SJS students.

NCAA Visitor

Dr. Cornelius H. Siemens, who will represent California state colleges at the National Collegiate Athletic association meeting in Cincinnati, Ohio, visited the campus Thursday.

Dr. Siemens, president of Humboldt State college, formerly was director of Compton college.

Ex-Spartans Repeat Vows

Former Spartans Deloris Sellar and Jack Gallagher were married Thursday evening in a private ceremony at the First Congregational church.

The wedding was the first performed by the Rev. James Martin, officiating pastor and executive secretary of the Student Y.

Nancy Brinkman, sophomore pre-med major, was maid of honor and another San Jose State college graduate, Dan Hruby, was best man. Hruby and Gallagher both served as editor and news editor on the Spartan Daily.

Gallagher was graduated in June, 1951, with a Journalism degree and is now editor of the Santa Clara Journal.

Dean of Women Due Back Today

Miss Helen Dimmick, dean of women, plans to return to the campus today following a short absence due to a series of colds.

Miss Dimmick left school shortly before Christmas and returned during the vacation, but a bronchial cold forced her to leave after two days. It was during the first cold that she lost her voice.

"A dean isn't much good without a voice," Miss Dimmick said.

International Battle of Wits Is Held Today

Beginning at 10:30 o'clock this morning, a 50 minute international debate between two Australian students and two veterans of the college forensic squad will hold the stage of the Morris Dailey auditorium.

The Australian students, John Boyd Reid and Robin Rhodes Millhouse, are making a debate tour of 43 colleges in the United States. They are under the sponsorship of the National Union of Australian University Students and the Speech Association of America, according to Wilbur F. Luick, director of forensics at the college.

Arrangements for their stay here were made by Dr. William H. Poytress, head of the Social Science department and chairman of the college lecture committee.

Topic for this morning's debate is: Resolved—That The Intolerant Is to Be Tolerated. The Australians are taking the affirmative.

Following their oral battle with SJS debaters John Mix and Kay Sproul, Reid and Millhouse will be guests at a luncheon to be given in their honor at O'Brien's restaurant.

Among the guests at the luncheon will be Dr. and Mrs. T. W. MacQuarrie, Dean of Men Stanley C. Benz, Dr. Poytress, Mr. Luick, Dr. Hugh W. Gillis, head of the Speech department, and Lud Spolyar, president of the ASB.

Reid and Millhouse, law students at the University of Melbourne and the University of Adelaide, respectively, will be guests of Delta Upsilon fraternity tonight. Chi Omega sorority will be their hosts at a dinner this evening.

This afternoon and tomorrow they will visit various social science classes on the campus.

Top Award Winning Film To Be Shown Tomorrow

A film titled "The Quiet One" will be shown twice tomorrow at 10:25 a.m. and 12:25 p.m. in the Morris Dailey auditorium, according to Dr. Richard Lewis, director of the college audio-visual service center. Admittance is free.

This film has been listed among the Best Ten pictures of 1948. It was produced by Time magazine, the New York Times and the National Film Board of Review. It won the first award at the Grand International Film Festival at Venice, Italy, and was chosen as the outstanding film of the Edinburgh Film Festival.

Dr. Lewis said that the film

has been highly praised by psychologists, sociologists and film critics.

According to the Educational Film Guide the motion picture deals with the problem of a mentally-disturbed Negro boy who is sent to a correction school and rehabilitated by the aid of a psychiatrist and counselors. This training and emotional comfort prepares the boy toward becoming a useful member of society.

Advisers Hold First Meeting, Tour Campus

Speaking before the first meeting of the journalism faculty and an advisory board of newspaper and advertising executives Friday, President T. W. MacQuarrie stressed the practical aspects of journalism training at San Jose State college.

"We want our college to be a practical institution, to train our students to make a decent living and to contribute to society," Dr. MacQuarrie said. "Our journalism department reflects this attitude."

Following Dr. MacQuarrie's welcome speech, the objectives of the journalism department at San Jose State college were discussed by the 17-member group.

The group then toured the instructional facilities of the journalism department, including the advertising and editorial office of the Spartan Daily. After the inspection, a discussion was held on the topic, "What should the employer expect of a college journalism graduate?"

Hillel Club Meets

The Hillel society will hold an open house tonight at 8:15 o'clock in the YMCA, Santa Clara and Third streets, for all Jewish students on campus, according to Gene Wolf, publicity chairman.

Winter quarter activities will be discussed and refreshments will be served.

Instructor Sick

Ill health has forced Prof. C. Blair MacLean of the Industrial Arts department to drop his instructing duties for the winter quarter, it was announced recently by Daniel Lopez, press spokesman for the department.

During his absence, his courses will be handled by the members of the industrial arts staff.

Portal Selects First String Mittmen

Cal Poly Is First Test of Spartans

By LLOYD BROWN

Coach Dee Portal named a tentative boxing team line-up Friday as his mittmen continued "sweating it out" in the little workout room of the Men's gym for their first matches of the season with Cal Poly and UCLA, Jan. 18-19.

The following men, at regulation Olympic weights, will represent the varsity: Al Accurso, 112; Ernie Paramo, 119; Don Camp, 125; Vic Harris, 132; Chuck Adkins, 139; Jerry Stern, 147; Bill Mendosa, 156; Darrell Dukes, 165; Paul Reuter, 178; and Ted Springston, heavyweight.

With a 19 match winning streak at their backs, Portal's men have an excellent opportunity to break the all-time college record of consecutive victories. The record, set by Wisconsin during the seasons of 1946-1949, stands at 26.

Deadline for challenge matches to be held as determinants of the boxers who will make the trip to

San Luis Obispo and Los Angeles, is Jan. 15. Under Portal's system, challenge bouts may be held during each week before a dual meet. The team may vary from match to match.

Portal feels that Michigan State, NCAA champion, who SJS meets on Jan. 25, will be the crucial test of the 1952 season.

Chuck Adkins, former NAAU champion at 135 pounds, and Don Camp, last year's Intermountain winner in the 125 pound class, are being counted on to carry much of the load in dual matches and tournaments this year.

Up top, the team is weakest. The graduation of Jack Scheberies, heavyweight, left Portal with no experienced men in that division. Ted Springston, junior novice winner last month, has been called upon to fill the gap left by the big bomber.

Probably the greatest single blow to the team's hopes of gaining the strength of the powerful 1951 aggregation is news that Richard Telles, brilliant junior novice winner in the 175-lb. class, is ineligible. Telles, with no experience, was moved up to the junior novice by Portal because of his superior skill.

Bob Frazer, 155 lb., and one of the leading men in that weight division, also was declared ineligible.

Because the Olympics are being held this year, all college boxers will have to weigh in at the poundage which Portal has announced. This will mean an addition of two divisions on each card, since regulation college weights are 125, 135, 145, 155, 165, 175 and heavyweight.

There always is great wonderment about the fact that Portal's team has been able to win all of its dual matches in the past two seasons, yet has been unable to cop the NCAA championship. The explanation is simple: Spartan teams generally have been strong in nearly all weights, but have not had the two or three exceptionally strong men it takes to win a national crown.

Cage Entry Blanks Due on Wednesday

Entry blanks for all independent and fraternity basketball teams for the forthcoming intramural basketball leagues must be submitted by Wednesday, Jan. 9, when a meeting of team managers will be held in the Men's gym office at 3:30 o'clock, according to Bill Perry, director of intramural sports.

League schedules will be available by Friday, with games beginning Monday, Jan. 14, Perry said.

Wrestling—San Jose State vs. San Diego Naval Training Center, Saturday, Jan. 12, 3 p.m., Spartan gym.

DU, PiKA Tangle Thursday For Intramural Grid Title

Pi Kappa Alpha and Delta Upsilon, undefeated in their respective leagues, will meet Thursday for the intramural championship. Game time is set for 4 p.m. on the Spartan JV practice field.

PiKA's string of victories was extended to 11 straight when they defeated DSG for the right to play DU (winner of the Independent league). Although DU played only seven games during the season, they proved themselves capable when they beat a powerful Newman club, 8-7.

The play-off game could very well develop into an offensive battle as DU has shown offensive

power by scoring 52 points in one game.

George Coakley, DU, and George Perazo, PiKA, are the boys who will be piloting their respective teams. Both have shown they have the ability for throwing both long and short, and both teams have good receivers who are capable of pulling in their tosses.

SJS Grapplers Take on Navy In Men's Gym

San Jose State's varsity wrestlers will meet the "rough and tumble" bunch from down south when they face the San Diego Naval Training Center in Spartan gymnasium on Saturday afternoon at 3 o'clock.

The Spartans will face the San Diego team with five returning lettermen. Frank Waxham is returning in the 157 lb. class, John Jackson is back in the 137 lb. but may have to fight it out with Joe Tiago for the first string position.

Other veterans who will return to action Saturday are Ralph Moracco, 167 pounder, and Gene Snyder, heavyweight. Al Cadina, 191 lb. letterman, will be unable to compete in Saturday's meet due to an injury which he received during a practice session.

Waxham is a potential Olympic candidate. He has won the Pacific Coast Invitational two years in a row and will defend his title again this year. In order for Waxham to go to the Olympic try-outs he must first win the fourteenth district championship. Waxham is a senior, and has been wrestling at San Jose State for four years.

Preceding the varsity match the JVs will take on the Alameda Naval Air Station, starting at 2 o'clock. Coach Mumby has named Mike Stepanovich as showing great promise for the jayvees thus far.

Coach Mumby has announced that this year's Novice Wrestling tournament will be held Feb. 4-8.

Ski Trip Chairman Tells of Sign-ups; Says Cars Needed

Sign-ups for the senior overnight, slated for Jan. 11-13 on Donner Summit, are now being taken at the Library arch, according to Cal Pitts, chairman of the function.

Seniors have already filled Cal lodge, Pitts related; so Ski club members must stay at Hoyfjellet. The transportation situation is serious. Signers should state whether their cars are available, Pitts said. Pitts also stressed that participants should bring bedding, warm clothes, and tire chains.

Pitts said a \$2 deposit fee would be required of registrants. This fee is forfeited if registration is cancelled after Wednesday, he explained.

In conjunction with the chairman's announcement, Bill Cancilla, Ski club president, urged seniors and club members to attend tomorrow's meeting in Room S112 at 7:45 p.m.

WAA to Offer Swim Lessons

The WAA swim club is offering instruction this quarter in practice diving, ballet swimming, and competitive swimming every Thursday night at 7:30 o'clock at the pool in the Women's gym.

"The swimming instruction is open to all women students interested in swimming or in improving their swimming techniques, reports Dr. Elizabeth Prange, advisor to the organization.

The swim club will hold open house at the end of the quarter to show students and guests what has been accomplished during the quarter. A swim get-together with Stanford university also is planned. Mary Ann Weisbrod is swim club manager.

New Courses Offered In Political Science

The political science division of the college's Social Science department received another impetus in its development this

quarter with two new three-unit courses added to its list of subjects offered.

In International Law 1368, the political science student will be provided with knowledge of law on the international level. Teaching this course is Dr. S. Laird Swagert.

The other new subject is American Parties: Political Process 172B. It has Prof. Dean R. Cresap as its instructor, and deals with the non-party aspect of politics in America.

Dr. William H. Poytress, head of the Social Science department, said that the college has made tentative plans of extending this latter course over three quarters under the title of Parties and Politics. At present, the 172A course is offered in the autumn and deals with parties and elections. If the

Audio Experts Visit Campus

Dr. James C. Stone, consultant in teacher education, and Mrs. Vivian Lynndelle, consultant in education of the hard of hearing, state bureau of special education, will visit the campus tomorrow, according to Dr. James C. DeVoss, executive dean.

The purpose of their visit, Dean DeVoss said, is to discuss a proposed program to teach lip reading to hard-of-hearing children.

ATO Cuts Pranks With 'Help Week'

Alpha Tau Omega fraternity took the lead in abolishing "Hell Week" pranks on the Spartan campus last weekend when members and pledges painted, repaired and cleaned the Handicapped Boy Scout building of Troop No. 42 at Edwards and McClellan streets.

The ATO "Help Week" program consisted of putting in asphalt tile, repairing the ceiling, and working in the yard, reports John Aitken, ATO pledge master. The fraternity volunteered its services after hearing about the Handicapped Boy Scout organization from Don True, an ATO, and a member of the Junior Chamber of Commerce committee assigned to the project.

Lumber, paint, and other materials used to repair the building were donated by San Jose merchants and members of the community.

College Adopts Colonial Flag

George Washington university, situated in the nation's capital, has adopted the flag of its namesake as a college symbol, the University Hatchet, college newspaper, announced recently.

The flag will use the design of the original colonial flag purportedly created by Betsy Ross.

Of 165 students who filled out questionnaires on the advisability of using the flag as a symbol, only two dissented. The paper reports that they probably were spies from Maryland or Georgetown universities.

All members of the football and basketball teams proved enthusiastic about the idea, the story said, and plans for production and sale of the flags were initiated following the Christmas holidays.

A year course is adopted, Dr. Poytress said, the spring quarter would be concerned with politics in California.

Music Major Wins Audition

Carmel Giacalone, junior music major, is a new member of the Los Angeles-San Francisco Light Opera company.

Miss Giacalone was auditioned through Buda's Amateur Hour Saturday, Dec. 29, over Station KFRC. She sang "You Are Love" from Show Boat. Managers of the Kern and Geary theaters in San Francisco were judges.

Aeronautical Engineering

Those chosen to participate in this plan will be from the upper portion of their graduating classes or will have evidenced unusual technical ability. They must also have evidenced imaginative ability and possess personality traits enabling them to work well with others.

CITIZENSHIP

Applicants must be United States citizens who can be cleared for "Secret," due to their work at Hughes Research and Development Laboratories being of a classified nature.

PARTICIPATING UNIVERSITIES

The University of California at Los Angeles and the University of Southern California will participate in this program, and candidates for Master of Science Degrees must meet entrance requirements for advanced study at these schools.

PROGRAM

Under this Cooperative Plan, starting June 1952, the following schedule of employment at Hughes is arranged:

Full time—from June 1952 to Sept. 1952
Half time—from Sept. 1952 to June 1953
Full time—from June 1953 to Sept. 1953
Half time—from Sept. 1953 to June 1954

Under this arrangement it is possible for a recipient to receive 3/8th of a normal year's salary each year and to attend

a university half time during regular sessions working on his Master's Degree.

SALARIES

Salaries will be commensurate with the individual's ability and experience and reflect the average in the electronics industry. Salary growth will be on the same basis as full-time members of the engineering staff. In addition, the individuals will be eligible for health, accident, and life insurance benefits, as well as other benefits accruing to full-time members.

TRAVEL AND MOVING EXPENSES

For those residing outside of the Southern California area, actual travel and moving expenses will be allowed up to 10% of the full starting annual salary.

TUITION

Tuition at either UCLA or USC, covering the required number of units necessary to obtain a Master's Degree, will be paid by Hughes Research and Development Laboratories.

NUMBER OF AWARDS

Approximately one hundred Cooperative Awards shall be made each year, if sufficient qualified candidates present themselves.

SELECTION OF CANDIDATES

Candidates will be selected by a committee of representation composed of two each from the University of California at Los Angeles, the University of Southern California, and the Hughes Research and Development Laboratories.

DATES FOR APPLYING

Informal applications should be mailed prior to January 30, 1952. The Laboratories will then forward formal applications, which should be returned, accompanied by up-to-date grade transcripts, by February 15, 1952. Selections will be made during the month of March.
